

Defibrillator Run

Kieran is raising £1500 to install a defibrillator in the red telephone box on Western Lane in Buxworth.

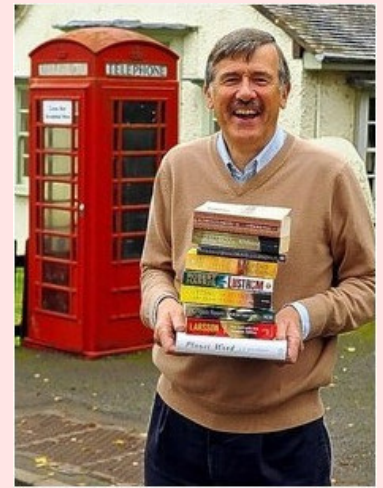

He's running home from the first defib-in-a-phone in Stourton (Wiltshire), via four other defibs. It's 250 miles in 5 days.

**Stourton
Wed 27 Apr**

**Ewen
Thu 28 Apr**

**Paxford
Fri 29 Apr**

For more info, and to sponsor him, see
